1955 CLASS AA STATE CHAMPIONS

SUMMARY

During the school year of 1954-55, the Golden Lions won the State AA baseball title. This was the first time Reidsville High School ever earned the baseball title. Coached by Mr. Hoy Isaacs, the Lions were blessed by plenty of senior talent. Bill Ross was elected to the All-State team as a pitcher. Bobby Cooke, John Medley, Don Chilton, and Donald McKinney were other seniors that played outstanding ball for the Golden Lions.

The Lions beat Mt. Airy for the Conference Championship and edged Charlotte Harding and Laurinburg in their march to the top honor in the State. The Lions beat Laurinburg two out of three in the finals with Jerry DeLapp pitching the decisive win.

Front row, left to right: Billy Chaney, Jimmy Cooke, Wayne Brown, Jimmy Comer, Steve Fleagle, Manager. Second row, left to right: Tommy Kallam, Manager; Wayne Miller, Donald McKinney, Don Coker, Jerry DeLapp, Nelson Young. Third row, left to right: John Medley, Don Chilton, Jimmie Fleagle, Gene Overby, Bill Ross, Tommy Collins, Mr. Hoy Isaacs, Coach.

WE CAN DREAM....

We are the graduating class of 1956. We have our dreams and ambitions for successful careers in life just as the millions who have come before us have had. Attaining great heights with laud and honor present is not our chief incentive, but in doing well whatever we undertake to do will be enough.

Sharing with you the hopes of our tomorrow is the primary purpose of this page. Possibly, years from today, we will sit back and smile at the inaccuracy of these predictions. Still again we might possibly, in making up our minds now, have strived toward and reached the goal we set

Hoping someday to become secretaries are: Gail Trent, Gwen Walker, Betty Lou Barham, Gail Cobb, Carole Cole, Gail French, Jackie Chaney, Peggy Jones, Irene Shelton, Amelia Chapmon, Anita Chapmon, Carlton Winstead and Mary Lois McKinney.

The nurses include: Barbara Gregory, Doris Cox, Carol Johnson, Dura Vaughn, Nancy Jones, Grey Underwood, Edna Starnes, Beverly Rentz, Elsie Hash, Claudia Barnes, and Malinda Jones.

In the list of teachers are:
ELEMENTARY Clara Faircloth,
Terry Glidewell, Barbara Litaker
and Carolyn Allen. GRAMMAR
Ann Martin and Becky Dixon HIGH
SCHOOL Linda Pryor and Margie
Woodall.

Barbara Simmons hopes to become a business executive.

Judy Saunders, Mary Ann Paschal, Rachel Lynn and Marie Billingsley hope someday to become stenographers.

~~Peggy Coleman will study physical therapy.~~

Martha Lou Ware has a desire to be an art designer; Judy Collins, a dress designer; Pat Harrison, an artist.

Rhodes Rumsey and John Page will deal in business administration.

Gene Overby and "Hawkeye" Black hope to play pro ball in the future. Don Coker also hopes to become a sports personality.

Junior Stewart, George Lewis Allen, Herman Jones, Billy DeLapp

and Ray Garrell will study electrical engineering. Hoping to become mechanical engineers are Jimmy Merricks and Billy Booker.

Wesley Trotter will study to be a dentist.

Tommy Collins will study for the ministry, and Nannie Bailey and Barbara Brooks wish to become missionaries.

Jimmy Trotter hopes to become a coach. Clark Holt will study law.

Making the Army their careers will be: Walter Liebscher Wade Perdue and Bobby Strader; Mickey Williams wants a deep-sea diving career in the Navy.

Following music careers will be Betty Cates George (Choral Director) and Jimmie Bivens (Music Professor).

Melvin Carter hopes someday to own his own chain of grocery stores; Ikey Blaylock, his own sporting goods store.

Other ambitions are: Terry Carlton, scientist; Betty Bliss Clark, botanist; Betty Bruce Hill, Doctor; David Norman, James Nixon and Wayne Gay, commercial pilots; Betty Jeffreys Shoe, concert pianist; Robert Crouse, electrician; Jerry Huskey and Peggy Barker, radiologists; Donald Dixon, radio and TV technician; Sharon Walker and Betty Stallings, airline stewardesses; Stanley Sizemore, psychiatrist; Charles Moore and Kenneth Pryor, mechanics; Henry Pegram, carpenter; LaVerne Combs, X-Ray technician; Jane Coleman, medical secretary; David Dagenhart, Grennell technician.

Ruth Evans and Shirley Cook will be content to be wives of well-to-do business men. Minnie Laura Lively will strive to hold the position of the mother of six boys.

Before each of us is the future. Many of us will attempt the same goal, and in doing so, will be brought closer together throughout the years. And if each of our wishes for successful careers is fulfilled, we, the graduating class of 1956, will not have studied and learned in vain, but will have bettered the world in many ways.

OPPORTUNITIES

... in the industrial world today are unlimited. Automation, atomic energy, a rapidly increasing population--all points to a period of unprecedented growth in the industrial life of the nation.

Like many others, the textile industry is just scratching the surface of its own latter-day revolution, which began less than a quarter century ago with the introduction of man-made fibers.

Burlington industries pioneered in production of fabrics from man-made fibers and has today grown to be the world's leading textile concern.

For young men and women thinking in terms of a career the textile industry today offers opportunity "without bounds" in manufacturing, merchandising, research, development and design, and many other related fields.

Jimnie —

It makes me choke up just to think of leaving. Seems you and I have marched together for so long to be separated. But all good things must end. Yet, our lives are just beginning.

You and I have certainly had the music. Who knows what the future will bring? Please don't ever forget Clyde and all the wonderful memories we have of him. This is our world of music, if we will only take it.

I'm wishing you the best of luck, Jimmie. May the Good Lord lead your footsteps ever forward. Keep old Carolina for me. I certainly love the place. Perhaps I can soon join you.

This is it — goodbye —. We are all leaving. I'll miss you.

Love —
Natie

J.

You will reap a great deal from your Carolina career for you are approaching it with high anticipation. With your assets you cannot help but be successful. It has been a pleasure to work with you, but time has run out — as always. I shall remember you — and especially for your good nature.

Kind regards
Natie

Monday afternoon

Dear Jimmie,

Since "all good things must come to an end sometime or other", this is "it," isn't it? It actually seems such a very short time ago that you were taking English II under me, and now you are ready to wear "the cap and gown," which signifies years of work and accomplishments.

May you have lots of fun, joy, and success next year at Carolina. Just remember that you get out of anything just what you put in it. I am sure that you will get along nicely and remember there are those who are anticipating that "much" from you.

The best of luck and all the good things now and forever will be yours I am sure!!

Sincerely,
Sara Halcomb

Reserve 2 (Claudia)

Dear Jimmy, I can not believe that this is our last week here at R.H.S. Words that would express how I feel now just don't exist. You'll never know just how much you've meant to me through all these years. I'll never forget our very first year together - 2nd grade at Lawsonville Ave. The many good times we had will never be forgotten on my part. Even the many fusses that we have had have a distinct place in my memory. Jimmy, nothing can top those afternoons we walked home. Do you remember the good times we had at the cemetery and at your house. Those were indeed the days. We just can't be grown up now, because I still love to do the things we used to do. Somehow I wish that we were in the 2nd grade again, and had the good old days to live over. Especially the 1st grade, I'll never forget the parties. What fun we had at that Christmas party, and Mr. Carmichael. Wow!! But Jimmy you and I have much to look forward to. I'm sure we're going to enjoy every minute of it at Carolina. Of course we'll have to settle down somewhat, but you know what happens when you and I get together. Out of course, the afternoons we spent together riding around will never be the same after we leave R.H.S. You know, the place seems like a second home to me, and all the people there seem a part of me. Just now it seems so sad to think that at the end of this week, it'll all be over. But that's life.

Jimmy, I can never tell you how much you've done to cheer me up when it seemed that the week had suddenly gone by. Your laughs and the many witty saying will continue to be with me. You've certainly done well for yourself. Congrats on the band award. Jimmy I can almost see you now on skates. Were you the stuff in those days. Well this seems to be the end. But will not say good-bye, but just so long for a little while. Have a great time during the summer. See you at Carolina.
I'll always love you,
Claudia B.

Recess (Peggy)

(A ONE PAGE NOVELETTE)

Jimmie,
You are one of the greatest boys
I've ever known. I've thoroughly enjoyed
going to school with you and also your
friendship.

I've also enjoyed eating dinner with
you everyday. It has really been lots of fun.
Sometimes my food didn't digest very well,
but it had reason not too. Laughing and cutting
up so much. Will you ever forget those good
times you, me and Becky have had together?
Of course Becky's living was the most fun.
You weren't very afraid, were you? Sorry Jimmie
you know one is never a high school senior but once.
And any "Poor Jack" would have guessed that Senior
Day. I'll never forget ^{that} day as long as I live.
You now I either one ^{will} forget Becky falling into the
lake. She was really a sight. You know I've thoroughly
enjoyed taking Algebra and English with you. You seem
to give the class a laugh that isn't them unless you
are. I mean that Complimentary.

Jimmie, our years of schooling together is about over.
I do want our friendship to last forever and ever.
As long as I am able to remember I will always
have a warm place in my heart for you. I think
you have talked to me about things that no one else
had any idea existed. I hope it will always be that
way. Because we have talked to each other I have a
warmth to you that I have for no one else. I shall
always have pleasant memories of you and for you. It's
very glad you won the John Philip Ross Award. No one
deserved it any more than you.

Promise me something? O. K.?
Look on the pleasant side of life, Always!!

Love
Peggy Calena

Dear Jimmie, Well, our fourth year has finally come to an end and I can't think of anyone who has had any more fun than we have. I cherish your friendship highly, yours is a friendship that one holds dear to their heart. No matter how do or act you still bounce back to true friends. We have had many ups and downs but have always bounced out of them before too long. Remember all the good times we had with Tommy and Myrtle I will never forget the State Fair. We had so much fun but when we're together we have always had fun. Don't forget our two junior-seniors - band parties and just everything - I can't begin to name them all. I know one thing that will remain in my mind forever - That's the Senior Play - how anything could be that much fun with that much work. I believe the police worked twice as hard those two weeks than any other weeks during a year. Mr. Abernathy said we should have been the best because we had had practice for the last four years which is really true in a way because everything that's done together we usually do it and now has it been fun.

Don't forget the good times we have had in band both under Clyde and Mr. Moore. I know how much you miss him and he really was great but I think just as much of James. I'll never forget all our band trips together I guess old Jack will be glad to see us graduate. I guess because it just happen to have had bad kidneys? Jimmie, you know year before last Clyde left. Last year Miss Morgan left and now this year everything's leaving. Just think in 7 more days we will have graduated and on our first steps of our own. Next year just think, in college - can you believe we are that old - time goes so fast when you want it to go slow. Oh! Congratulations for the Sousa Award I can think of no one who could have deserved it any more, just keep up your good work and maybe next year Mr. Fred will let you play first. I sure do hope I can play in the band at U.N.C. although it doesn't have the name of U.N.C. it is still just as good. Here's hoping we will see a lot of you in the future. Don't ever forget me because I know I will never forget you and our happy times. Write to me while at U.N.C. Don't get too drunk on week-ends - Love always, Betsy Dixon
